RAPINI

COMPANY PROFILE

Rapini is an Australian owned company that was incorporated in 1990, servicing public and private hospital with our range of chrome wire storage systems. From a small beginning, Rapini has grown to be a major supplier to industry Australia wide with distributors in all States of Australia.

In keeping with our growth plans we are pleased to release our new product range of Rapini Multi Purpose Service Carts, which compliments our range of single and multi deck trolleys.

These carts have been designed to meet the needs of a wide variety of applications and have been designed for loads of 250kg with superior castors with brakes.

These service carts are ergonomically friendly and attractive in appearance and only the best quality polymers, reinforced with nylon fibres have been used to meet harsh working conditions.

Rapini is committed to providing excellent customer service, best quality products and inventory to support our customer expectations.
